

103^D CONGRESS
2^D SESSION

S. 2295

To authorize extensions of time limitations in a FERC-issued license.

IN THE SENATE OF THE UNITED STATES

JULY 19 (legislative day, JULY 11), 1994

Mr. FORD introduced the following bill; which was read twice and referred to
the Committee on Energy and Natural Resources

A BILL

To authorize extensions of time limitations in a FERC-issued
license.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*
3 That notwithstanding the time limitations of section 13
4 of the Federal Power Act, the Federal Energy Regulatory
5 Commission, upon the request of the licensee for FERC
6 project numbered 10228 (and after reasonable notice), is
7 authorized, in accordance with the good faith, due dili-
8 gence and public interest requirements of such section 13
9 and the Commission's procedures under such section, to
10 extend the time required for commencement of construc-
11 tion for the project for up to a maximum of three consecu-

1 tive two-year periods. This section shall take effect for the
2 project upon the expiration of the extension (issued by the
3 Commission under such section 13) of the period required
4 for commencement of construction of such project.
